User Sign-In

The Azimuth Calibration ADAS Identification Tool is a web-based, SaaS product. To access the tool, please enter the following URL into your browser (Chrome or Safari recommended):

<https://portal.azimuthclaims.com/idtool/>

The following sign-in page should appear:

The screenshot shows a web browser window with the address bar displaying `portal.azimuthclaims.com/idtool/`. The page header includes the Azimuth Claims Solutions logo on the left and the title "Calibration Identification Tool" on the right. The main content area features a sign-in form with the following elements:

- A "Welcome back" message.
- A heading "Please Sign In".
- An "Email Address" input field with an envelope icon.
- A "Password" input field with a key icon and a toggle eye icon.
- A blue "Sign In →" button.
- A "Forgot Password?" link.

The footer contains the copyright notice "Copyright © 2026 Azimuth Claims Solutions, Inc. All Rights Reserved." on the left and "Version 1.0" on the right.

Once signed in, you will be taken to this page:

From here, you can upload a new PDF estimate (CCC One® or Mitchell® format only) to generate reports for, as well as view your previously created reports. You can also access our Feature Decoder to see what features a vehicle is equipped with from the factory Build Data.

Creating Reports

Upload a PDF estimate to view the ADAS Calibration report for it. You can drag-and-drop the PDF onto the *drop* zone or click to manually specify a file. Note: *If the report doesn't appear within 30-60 seconds, please check to ensure your browser's pop-up blocker isn't active.*

After specifying a file to upload, the following options appear:

☒ Vehicle Has Collision Damage ⓘ

☒ Display Calibration Pricing ⓘ

Create Report >

Check the first box if the vehicle was physically involved in a collision; defined as contact with another vehicle, object, or person that resulted in damage.

Check the second box to toggle displaying of Calibration Pricing on the report. These prices are set by your Administrator to reflect Program Pricing for your organization.

Click “Create Report >”.
The report will appear in a new tab:

ADAS Calibration Report

2025 Toyota Tundra Limited CrewMax 4WD

VIN: 5TFWA5DB9S

Equipped ADAS Systems

Blind Spot Radar	Windshield Camera	Backup Camera	Front Park Sensors
Rear Park Sensors	Surround-View	Front Radar	

Summary of ADAS Operations

System	Operation Needed	Special Tools	Note(s)	Required
Front Park Sensors	Static	Special Tools		Yes
Front Radar	Static or Dynamic	Calibration Targets		Yes
Surround-View	Static	Calibration Targets	Replacement or removal and installation of 2 or more parts requires all surround view cameras to be calibrated.	Yes
Rear Park Sensors	Static	Special Tools		Yes
Blind Spot Radar	Static	Calibration Targets		Yes

After generating a report, it will be added to the top of the “My Reports” list.

Click the  icon to view past reports onscreen or  to download them to your PC in PDF format, respectively.

To view the original estimate PDF that the report was generated from, click the  button.

By default, the list is sorted descending by Report Created (newest on top). Click any column header to change the sort, and use the “Search ...” box to locate your reports by Year, Make, Model, VIN or RO/Job Number.

- Report an issue or ask a question
- Suggest improvements or new features
- Rate your satisfaction with our service

The screenshot shows a web browser window with three tabs: "Azimuth Claims ID Tool", "ADAS Report Feedback", and "Vehicle ADAS Report". The address bar shows the URL "portal.azimuthclaims.com/feedback/?sEstimateGUID=b00eb875e59667b6895855df34e0b...". The page header includes the "Azimuth Claims Solutions" logo on the left and "Calibration Identification Tool" on the right. The main heading is "ADAS Calibration Report Feedback". Below the heading, a paragraph states: "Your feedback is very important to us. As part of our continuous improvement efforts, we take seriously any feedback regarding the content or structure of our reports. Please provide as much detail as possible." This is followed by the text "You can also call us at (888) 628-4192." The form contains the following fields and sections:

- Your Name ***: A text input field.
- Email Address ***: A text input field.
- Choose all that apply:**: A section with five checkboxes:
 - ☐ Missing Procedure/Requirement Information
 - ☐ Incorrect Procedure/Requirement Information
 - ☐ Invalid/Broken Procedure Link
 - ☐ Invalid/Broken Requirement Link
 - ☐ General Questions
 - ☐ Enhancements
- Describe your suggestion/issue ***: A large text area for detailed feedback.
- Submit Feedback →**: A blue button with a right-pointing arrow.
